

## ACTION TAKEN REPORT (ATR) 2022-23

### Ensuring Action Oriented Approach on Feedback Analysis of Stakeholders – Students, Teachers, Employers and Alumni.

Feedback received from the Institution's Website – post Responses from the various Stakeholders, viz – Students, Alumni, Employers and Teachers – has been comprehensively analysed and the data observations discussed with Principal and IQAC. This ATR is the Institution's Assessment Proforma for furtherance of its Quality Enhancement. The Parameters listed below were suggestively and prioritisingly implemented with requisite action after being intimated to the Managements for its kind perusal and consent.

The Institution, perceptively is cognizant of its strengths as well as weaknesses and – complying with the suggestions – has worked concertedly as per its ATR towards addressing the challenges confronted by it.

#### Stakeholders : Students, Teachers, Employers and Alumni

S.No.	Observations/Suggestions	Action Taken
1.	<ul style="list-style-type: none"><li>Regarding Curricular aspects, cutting edge courses can be fruitful in their career advancement.</li><li>Reading Materials can be strengthened and Skill development can be integrally pursued.</li><li>With a Combination of 33.8% Alumni reporting Admission Procedure to be good and 23.4% as very good, it is suggested that the admission process coupled with the fee structure should be mostly Online; and Curriculum be made more outcome oriented.</li><li>An important suggestion was to improve the Communication skills of students.</li><li>Though responses obtained regarding good teaching environment for the College are very good, yet FDPs (Faculty Development Programmes) further need to be strengthened for equipping students with better skills and knowledge.</li></ul>	<ul style="list-style-type: none"><li>➤ Advancements in specific field subjects had been made mandatory by the Departments.</li><li>➤ To strengthen reading materials, Teachers distributed updated materials to students; Also Value Added Courses were made compulsory for the Departments towards students' skill enhancement and employability prospectives.</li><li>➤ To upgrade the responses from satisfactory to being good, Action was taken to reduce the complexities of admission procedure by students directly contacting their concerned faculties alongwith online admission; Also the curriculum was made outcome oriented by students gaining more exposure to industries and onsite visits.</li><li>➤ Steps were undertaken to motivate students to participate in mainstream activities and improve their communication and conviction capabilities. The outcome was successful.</li><li>➤ Complying to the suggestion, Action was</li></ul>

		taken on making FDPs mandatory – i.e. in every session at least 1-2 teachers of each Department are pursuing FDPs.
2.	<ul style="list-style-type: none"> <li>Entailing just a decent response from students regarding Curriculum covered in their classes, it was suggested that Research Projects/ Excursions/ Industrial Training/ Internships be initiated for students to create interest in their subjects.</li> <li>Regarding the Alumni network of old friends, there is need to effectively focus on connecting with the Alumnis of our College as a move towards students motivation.</li> <li>The Observation Analysis on Team work by Employers is, no doubt, appreciable but requires more effort in this significant direction as greater inspirational involvement can heighten the aspirations of student fraternity.</li> <li>Though a highly positive response is attained regarding effective teaching atmosphere and students involvement in learning process, yet Lectures on Value based education, Time &amp; Stress Management, Personality Development should be assigned priority.</li> </ul>	<ul style="list-style-type: none"> <li>The Departments took note of the suggestive action and implemented Outcome Oriented Curriculum by mandatorily including Research Projects/ Excursions/ Industrial Training/ Internships as an integral part of curriculum. Resultingly, learning value of the students definitely increased.</li> <li>The Institution took report of Alumnis at Departmental ends with contact Information Details.</li> <li>The Alumnis were contacted by us and we invite them time to time to share their experiences and motivate our students – which they willingly do so.</li> <li>The Team spirit was strengthened – with all Events and Activities of our Institution being enforced by the effective co-ordination of our Stakeholders.</li> <li>In adherence to the essentiality of a holistic approach, the Faculty took an action oriented approach. As a part of its Remedial Classes &amp; Mentoring, the Teachers delivered Lectures on Value based Education, Vedic Principles, Yoga, Time and Stress Management integrally relating it to their Co-curricular courses.</li> </ul>
3.	<ul style="list-style-type: none"> <li>Rating of Classroom Teaching Experience was responded quite well by students but a suggestion was to lay greater emphasis on slow learners who can capably cope up with constraints.</li> <li>More emphasis be laid on learning value of the Curriculum for a myriad understanding of the knowledge &amp;</li> </ul>	<ul style="list-style-type: none"> <li>As prospectively suggested, the Action was taken and extra time was devoted to solve the queries of the slow learners by Departments.</li> <li>A major implementational step was that – as a part of Teaching-Learning Pedagogy – the Faculty emphasised on explication of Curriculum objectives, COs, Concepts,</li> </ul>

	<p>facilities overall learning environment, they are quite encouraging. But to improve technological facilities and teaching-learning environment, the suggestions related to seating arrangements as per Classroom capacity and construction of new classrooms as per requirement.</p>	<p>Entrance.</p> <ul style="list-style-type: none"> <li>➤ The suggestion was implemented regarding proper seating arrangement with distance; Also work is ensuing to mobilise resources &amp; construct new classrooms as per requirement.</li> </ul>
5.	<ul style="list-style-type: none"> <li>• Observingly, the suggestions regarding provision of reference material has been noticed and teachers have been asked to provide study material of relevance to students for upgrading their knowledge skills.</li> <li>• Responses regarding Computer &amp; Canteen Facilities still needed to be noticed. Henceforth, suggestively, augmentation of Computer facilities with Wi-Fi be assigned significance for research enhancement; Secondly Canteen facilities be made more hygienic with reasonable cost.</li> <li>• It has been observingly suggested that Employers should involvingly assume greater appropriate level of responsibility coupled with Self- Motivation by organising more Placement Fairs, Competitive Exam Course Lectures etc.</li> <li>• Facilities and practical resources for effective teaching is being pursued. Suggestively, it is recommended to teachers to discuss more practical/ real life applications of their courses with students.</li> </ul>	<ul style="list-style-type: none"> <li>➤ As in accordance with the suggestion, Action was taken. The Teachers provide study/reference material to their students, both in Classes and also in their WhatsApp groups. The outcome was the increase in satisfaction levels of students.</li> <li>➤ In compliance with the suggestions, the Action plan was formulatngly implemented with installation of Computers alongwith Wi-Fi in the Campus and Departments.</li> <li>➤ For a perfect healthy and hygienic ambience, a new Canteen is to be started very soon in the College to cater to the healthy taste buds of all.</li> <li>➤ Taking Action on a priority basis towards work pursuits, Employers have played a major role in organising Placement drives.</li> <li>➤ Lectures on How to Prepare for Competitive Exams have been organised in co-ordination with IQAC.</li> <li>➤ Action undertaken in this context – Teachers now started discussing more practical/real life applications of their Courses with their students. This helped in widening the learning cum analytical skills of students.</li> </ul>
6.	<ul style="list-style-type: none"> <li>• Regarding observing Library Rating Analysis on part of students which was</li> </ul>	<ul style="list-style-type: none"> <li>➤ Action was significantly undertaken towards digital upgradation skills. The</li> </ul>

	<p>found to be good, more efforts need to be entailed in availing Library resources. Suggestion is to increase Online Access facility to students and Faculty for upgrading learning skills.</p> <ul style="list-style-type: none"> <li>• Though Cultural &amp; Sports facilities are significant to overall development of students, yet suggestions were put forth regarding organising Inter-Collegiate Cultural Events; Moreover, more students be motivated to participate in Sports at National levels.</li> </ul>	<p>DELLNET facility with password was forwarded in students' groups. The students can now gain access to digital Catalogue.</p> <ul style="list-style-type: none"> <li>➤ Taking Action on the related suggestions, the students enthusiastically registered themselves (after College level screening) and won laurels for College at University level and Youth festival.</li> </ul>
	<ul style="list-style-type: none"> <li>• More efforts have and still need to be channelised in usage of Technology and Workplace Equipment towards Welfare of students in practical learning enhancement skills.</li> <li>• The Observation analysis reveals that lab facilities and practical resources are good enough. But – as envisaging scope for further improvement – students should also visit other Labs for adequate assessments; Also in case of brokerage/depreciation, timely supply of facilities be ensured for research outcomes.</li> </ul>	<ul style="list-style-type: none"> <li>➤ The students were motivatingly addressed at Departmental ends – they participated in Sports Events and won medals as also recognition to our esteemed College at University, State &amp; National levels.</li> <li>➤ This suggestion was evaluated and Action taken. Technological skills are being focussed towards students' interests and it is ensured that requisiteness of workplace equipment be catered to.</li> <li>➤ Importantly for exchange of ideas, students and Research Scholars also visit other College labs to enhance research skills. Scholars enrolled outside also visit our Labs for consultations.</li> <li>➤ Timely supply of Lab facilities is undertaken for research pursuance.</li> </ul>
7.	<ul style="list-style-type: none"> <li>• As per the responses obtained regarding academic activities correlated with students participation, it was suggested as a compulsorily step for each Department to organise Lectures, Seminars, etc. at least on Commemorative days.</li> <li>• Suggestions rendered regarding state of classrooms relate to much improvement in the context of upgrading quality of blackboards, furniture, LED bulbs, etc.</li> </ul>	<ul style="list-style-type: none"> <li>➤ Action was undertaken and the Departments now organise more Lectures, Seminars on a compulsory basis to update teaching learning skills also on Commemorative days to preserve our heritage and realise our duties cum responsibilities.</li> <li>➤ The College took concerning Action and updated its classroom facilities as per the requirements of blackboards, LED bulbs</li> </ul>

	<ul style="list-style-type: none"> <li>• Though Observations reveal the fact that relationship of Employers with Seniors, Peers and Subordinates is, no doubt, good; yet an important suggestion is that complete co-ordination and team work is highly essential to keep the Institution steadfastly growing.</li> <li>• Though with good responses obtained, suggestion towards effective communication between administration and teaching staff is essential for smooth implementation of initiated programmes.</li> </ul>	<p>and furniture.</p> <ul style="list-style-type: none"> <li>➤ Action was taken on this count – by listening to the problems faced by peers/subordinates. All activities are carried out with efficient and effective co-ordination of the concerned.</li> <li>➤ As an implementational measure, focus was laid and action undertaken on effective communication between College administration and teaching staff. This has helped to establish a good rapport and understandability between them.</li> </ul>
8.	<ul style="list-style-type: none"> <li>• Participation by students in Skill Development and job oriented programmes reveals a positive analysis. In this context, suggestion is that some new programmes/courses be started to cater to Socio-economic needs.</li> <li>• With not much of analysis on count of support material, a simple suggestion is to further the qualitative enhancement of our support services for ensuring task proficiencies.</li> <li>• Observations reveal very good analysis towards a healthy work balance for the teaching staff – although efforts be directed towards ensuring its enforcement thoroughly.</li> </ul>	<ul style="list-style-type: none"> <li>➤ Action taken pertains to commencement of new relevant Course "Tourism &amp; Hospitality" in our College.</li> <li>➤ The students were also made aware of the funding options in their progressive journey of job orientation.</li> <li>➤ Focussed implementation was undertaken on enhancing our support services qualitatively for ensuring task proficiencies.</li> <li>➤ Action taken related to giving a complete space for healthy work balance for the teaching staff on all fronts.</li> </ul>
9.	<ul style="list-style-type: none"> <li>• In context of academic programmes, rating indicates that more suggestive steps be taken towards organising Conferences, Workshops, Lectures for students.</li> <li>• A welcome suggestion made pertained to providing maximum opportunities for extra and co-curricular activities in College.</li> <li>• As a feedback, Curriculum be supplemented with more relevant Elective subjects.</li> </ul>	<ul style="list-style-type: none"> <li>➤ Realising the significance, more academic programmes eg. Workshops, Lectures, PPTs, Research &amp; Surveys were organised for students to enrich their learning skills.</li> <li>➤ Action taken encompassed providing more platforms to students for their enthusiastic involvement in Extra-Curricular and Co-Curricular activities.</li> <li>➤ This was noted and very soon more relevant Elective Subjects would be incorporated as an important considered issue.</li> </ul>
