

DAYANAND GIRLS P. G. COLLEGE

accredited 'B' by NAAC

DISABLED FRIENDLY POLICY

The College inherently accords immense significance to Policy formulation for the Disabled – in adherence to the Government regulation of 'The Right of Persons with Disabilities Act, 2016'. As per its commitment, we make sure that disabled students and staff are non-discriminatingly considered an integral part of our College Fraternity. As a foremost and constant measure, it lends a helpful hand to them as also taking care of the following aspects:

- Enabling its employees and students – special reference to those with disabilities – to participate in various Events, Programmes and Administrative proceedings.
- Ensuring adequate access to Ramps, Restrooms, Libraries, Labs and Buildings/Blocks without any barriers.
- Assisting students in the learning process in their classes as per their suitable timings.
- College has concerted effort to guarantee the efficacy of involvement and enthusiastic participation of students in activities of Committees/Cells, Extracurricular, Co-Curricular and academic ventures.
- The disabled are given appropriate space to use their own personal assistive devices in Campus.
- Importantly, College ensures facility for those who are visually challenged e.g. Scribes during examination. Very soon the Institution – as per its plan policy – would be arranging Braille/Screen reading compatibility for the disabled betterment.
- Our Institution – in lieu of barrier free disabled policy – ensures that students with disabilities do get special facility of a Separate Seating arrangement, Scribe & also an extra assistant if needed, providing Extra Time in Examination – these being strictly in accordance with the guidelines of the University.
