TOPIC : ROLE OF IMMUNE CELLS IN WOUND HEALING

Department of Zoology, Dayanand Girls P.G. College, Kanpur, in collaboration with ANDNNM Mahavidyalaya, Kanpur, organised a seminar on 22 october 2026 “Role of Immune Cells in the Wound Healing" under the Memorandum of Understanding (MOU) signed between the two institutions. The programme commenced with the ceremonial lighting of the lamp and Saraswati Vandana by the Chief Speaker, Prof. Rakesh Kumar Majhi, Department of Biosciences and Bioengineering, IIT Kanpur; Principal , Director, In-charge, Zoology of A.N.D. College and Dayanand Girls P.G. College, Kanpur along with other distinguished dignitaries. Principal, Prof. Vandana Nigam delivered the welcome address and warmly welcomed the Chief Speaker and all the distinguished guests. She emphasised that such academic initiatives play a significant role in developing a scientific outlook among students and fostering their interest in research. Director Prof. Archana Varma also welcomed the guests and highlighted the importance of academic activities in enhancing students knowledge and skills. Prof. Anjali Srivastava, In-charge, Department of Zoology, introduced the theme of the seminar. She highlighted the significant role of immune cells in the wound healing process and the scientific relevance of the subject in contemporary research. In his expert lecture, Prof. Rakesh Kumar Majhi elaborated on the biological mechanisms involved in wound healing. He also discussed the relevance of this subject in medical science and contemporary biological research.The programme was efficiently conducted by Dr. Kanchan Mittal. The vote of thanks was delivered by Organising Secretary Dr. Shalini Shukla.IQAC Co-ordinator ,NAAC Co-ordinator and O.S. Mr. Krishnendra Kumar, made a special contribution to the successful organisation of the programme. The seminar was successfully organised with the valuable support of faculty members of Zoology Department of both the institutions. The non-teaching staff also extended their valuable cooperation. All the faculty members of the college graced the occasion with their presence, and approximately 80 students participated enthusiastically.
